KNOW BEFORE YOU GO

Your visit to Orlando is on the calendar and we're excited to welcome you to our hotel and our city. In this new landscape in which we're responding to a global pandemic, a few things have been modified throughout our hotel. Your health and safety during your upcoming stay with us is our utmost priority. Therefore, we suggest you add the following to your travel check list as you prepare for your upcoming trip to Orlando and Rosen Hotels & Resorts.

Check Your Bags and Transportation Options

- Check your departure city airport for their travel guidelines and regulations.
- TSA has released **updated security procedures** for air travel, including social distancing measures and touchless processes, as passengers move through security checkpoints. TSA is also allowing one liquid hand sanitizer container, up to 12 ounces per passenger, in carry-on bags.
- Check the **Orlando International Airport** for arriving regulations.
- Review transportation options whether you opt for a rental car or shuttle. Our partners are **Platinum Transportation** or **Enterprise Rental Car**
- Rosen Hotels & Resorts follows Orange County regulations which currently mandate the use of masks or face coverings by all in public areas. While this could change before you join us, make sure to bring a mask just in case. Exemptions include children under 2 years old and people whom a face covering would cause impairment due to an existing health condition. Visit ocfl.net for the most current information.

Check-in & Check-out from Your Smartphone

On your arrival day, you can check-in remotely through your smartphone. Your confirmation email will have more details on this service.
